Sir, Thro, The President, District Board Coimbatore

I have the honour to state that the Deputy Inspector

N.Dis.C.No. 590/B6 f 24 of Schools, Kollegal, has forwarded proposals for the introduc--

-tion of Manual Training in certain Elementary Schools under ---

forwarded. 21-2-24 President, D.B.

the Kollegal Taluk Board, with reference to Government Order---

No. 1137, Law (Education), Dated the 11th August, 1923.

the Deputy Inspector, together with the initial and recurring --

cost of the proposal are furnished in the subjoined list. The

District

District Educational Officer, Coimbatore, has endorsed the recommen-
é -dation of the Deputy Inspector of Schools, and recommended that
the Government may be addressed to sanction the moity of the initial
and recurring costs, considering the poor financial position of the
Board.

3. No doubt the proposal made by the Deputy Inspector --
of schools, will popularise the institutions concerned and will also
encourage the pupils attending the schools. The proposal of the -
Deputy Inspector is only a trial, and if it succeeds, proposals --
will be made for the introduction of this training in all the ----
Board Elementary Schools, Where there is feasibility for the ------
introduction .

4. I, therefore, request that the Government ---
kindly be pleased to sanction Rs:90/- as initial cost and Rs:110/-
as recurring cost of the proposal. A copy of the District Educational
Officer's endorsement, R.O.C. NO. 1097/C of 1923, dated 10th January, 1924, is also submitted herewith for favour of perusal.

Copy of Endorsement, of the District Educational Officer, Coimbatore and the Nilgiries, R.o. C. NO. 1097 C of 1923, ----- dated the 10th January, 1924.

Reference :--- Dis. No. 3 of 1924, dated 3-1-1924, fro the Deputy-Inspector of Schools, Kollegal Range.

Forwarded to the President, Taluk Board, Kollegal, with reference to his endorsement, R.O.C. NO. 1167/K.T.B. of 1923, dated 16th September, 1923

2. The proposals made in the Deputy Inspector's letter, D. 220/23 dated 17-9-23 are practical, in that the necessary Teaching Staff is available locally. The chief difficulty is removed.

3. The Deputy Inspector proposes that Basket-weaving be introduced in 3 schools, Sericulture in 2 schools, and -- mat-weaving in 2 schools. The initial expenditure is estimated at Rs178/- or Rs180/-, and the recurring expenditure at R. 18/- per month, i.e. Rs. 216 or 220/- per annum. The cost of the Deputy Inspector's proposals is, thus, unusually low, and the Taluk Board even with its strained finances, should have no difficulty in meeting this cost. In this connection application may be made to Government for a grant equal to ½ the initial and recurring charges. I recommend that the proposals made in the Deputy Inspector's letter, D. NO. 220 of 1923 dated 17-9-'23 be accepted, and that the scheme be introduced immediately.

4. The Deputy Inspector's description of further action taken by him, contained in his letter D. NO. 3/24 dated 3-1-'24, is interesting, and I recommend that the Deputy Inspector be requested to furnish a quartely report of progress.

LAW (EDUCATION) Department.

Sir,

In resubmitting herewith the papers referred to me for remarks with Government endorsement 864 A-1, dated 26th February 1924, I have the honour to state that the District Educational Officer, Coimbatore and Nilgiris reports that of the 7 schools wherein special classes have been proposed, a beginning has already been made in two of them viz in Maduvanahalli and Kunagahalli. In the former a basket weaving class was opened in November 1923 while in the latter matweaving was introduced in December 1923.

2. A statement showing the number of pupils receiving

or likely to receive instruction in each of the schools is herein enclosed.

3. Mr. Porrett who was consulted is of opinion that the subjects to be taught are useful, inexpensive and suitable for schools of the district and afford a good hand and eye training. The total amount under recurring and non-recurring charges required for the seven schools is also reported to be very moderate. The initial and recurring charges for a year for these two classes alone will be Rs 94 of which Rs 47 will have to be sanctioned by Government.

4, I may state in this connection that I support the scheme in so far as it refers to giving vocational instruction to pupils above the IV standard; but that I cannot approve of that portion of the scheme which relates to giving vocational instruction to pupils of only 9 or 10 years of age or to those reading in the 3rd or 4th standards.

5. As regards the cost of I may add that there is no provision in the Budget Estimate for 1924-25 for -- schemes of this kind but the cost is so small that I see no reason why it should not be met from the funds of the Board itself.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.

Sir,

Para 9 cmte

With reference to Government memorandum No.2482 B-2, dated the 20th September 24, I have the honour to state that vocational training will be imparted only to pupils in the standards above the fourth. The proposal already - furnished with my letter R.O.C. No. 26/Supr of 24, dated 8-2-24 contains only the names of schools above the fourth standard and as such no modification in the scheme already furnished appears to be necessary.

2. With regard to the finance, referred to in para 2 of the Government memorandum, I may mention that the Taluk Board cannot meet the cost of the scheme from its own funds considering its present financial position. If the Govern-

ment

are not pleased to sanction the cost of the scheme from provincial funds, the Taluk Board has no other go but to drop the proposal for want of funds.

From the P.T.B, Kollegal, R.O.C. No. 26-Sund. K.T.B. of 24 dated 8-2-24.

From the D.P.I., R.O.C. No. 849 E/24 dated 27-8-24.

Subject: Introduction of manual training in certain elementary schools under the control of the Kollegal Taluk Board.

The Taluk Board, Kollegal, submits proposals for the introduction of manual training in seven elementary schools under its management. The cost is estimated at Rs. 220/-, recurring, and 180/-. non-recurring, and the Taluk Board requests that one-half of the total cost may be met by Government. In two of the schools, classes in basket-weaving and mat-weaving have already been opened at a cost of Rs. 60, recurring and Rs. 34 non-recurring. The Director states that the cost of these classes, being small, may be met by the Taluk Board itself. He has not offered any remarks on the proposal relating to the introduction of manual training in the remaining five schools. The estimated cost of the classes in these schools is also small and presumably the Director does not consider it necessary to grant a provincial subsidy.

The Government have themselves taken the initiative in regard to the introduction of manual training in schools in order to encourage the opening of manual training classes, they usually give half grants towards the cost of schemes even in cases where the cost is small. To decline to sanction even a half grant on the ground that the cost is small and can be met by the local bodies would seem to be a retrograde policy. Such a course might minimise the chances of

of schemes being pushed through successfully, as local bodies ~~may~~ might give them up for want of the necessary help from Government. Instead of ~~rejecting~~ the Taluk Board being told straightaway that no subsidy can be sanctioned, it may perhaps be asked to state whether, the cost being small, it cannot itself finance the scheme. A draft memo is submitted.

On this case the scheme is reported to be useful and inexpensive

CR 14-9-24

2. The Director's view that manual training may be given only in standards above the ~~fourth~~ fourth may be accepted. The ages of the pupils to whom practical instruction may be imparted need not be specified in the ~~memo~~ memo that may be issued on this case, as it may happen that a pupil between the ages of 9+ and 10 may be reading in the V standard and it may not be desirable to exclude such a pupil from the manual training class solely on account of his age.

3 The file may be sent to L.S.G. no for acceptance of the draft memo.
